or
 - b. The school district has demonstrated through a feasibility study that the benefits of undertaking new construction outweigh those of rehabilitating the school proposed for closure.

3. The re-assignment of students to other schools in the district does not produce, sustain nor contribute to unlawful segregation, separation, or isolation of student populations on the basis of race or national origin.

A request for approval from the Division for the school closing shall include the recommendation of the Executive County Superintendent. A letter of approval from the Division based on the information in N.J.A.C. 6A:26-7.5(a) and as listed above shall be required before the school's closing.
