PREVENTION PROGRAM AGREEMENT

The following is an agreement between the Hunterdon Drug Awareness Program, Inc. (HDAP) and the North Hunterdon High School for services rendered to the aforementioned school by HDAP. This agreement will be in effect for the school year beginning September 2018, and concluding in June 2019. The fee for this service will be \$10,000, with \$5,000 to be billed after completion of the fall, 2018 semester hours, and \$5,000 to be billed after completion of the spring, 2019 semester.

It is agreed upon that HDAP will provide the following services:

1. A qualified prevention expert will be available on site for a minimum of 250 hours during the first semester 2018-19. The prevention counselor will implement a school wide prevention program on a variety of topics surrounding drugs, alcohol, decisions making, drinking/driving and the law. The counselor will also work in conjunction with the Student Assistance Counselor (SAC) in co-facilitating a variety of group topics.
2. The prevention program will provide a minimum of the following (160 hours)
 - a. Senior Health-Offer 2 classroom presentations each semester to senior students on a variety of science based prevention topics.
 - b. Junior Health-Offer 2 classroom presentations each semester to junior students on a variety of science based prevention topics.
 - c. Sophomore Health-Offer 2 classroom presentations each semester to sophomore students on a variety of science based prevention topics.
 - d. Freshman Health-Offer 1 classroom presentations each semester to freshman students on a variety of science based prevention topics.
 - e. Provide staff in-service training on science based prevention topics. This can be for whole staff or specific departments.
3. The prevention expert will then work in conjunction with the Student Assistance Counselor (SAC) for a minimum of 45 hours
 - a. Co-facilitate education and prevention groups
 - b. Drug and alcohol education on individual and/or group basis
4. HDAP also offers to provide the following services:
 - family assessment*
 - urine drug screens*
 - family counseling (at HDAP office with staff family therapy professional)*
 - referral to HDAP's outpatient treatment program, a ten to fifteen-week session series*
 - formal Substance Abuse Evaluation (SAE)*

*Denotes designated services that are not covered under this assigned financial arrangement, in which the family and/or school would be expected to pay for based on HDAP's fee schedule. No one will be denied services due to financial circumstances. The above-mentioned services are provided year round, without regard to the school calendar year.

3. In the event that a formal Substance Abuse Evaluation (SAE) would be requested by the school, the evaluation would be completed for a charge of \$185 to the family, unless the school agrees to pay for the evaluation. This evaluation would include the following:
 - Two urine screens taken over a two session period.
 - Additional urine drug screens required to complete the evaluation will be charged at the rate of \$20.00 per screen
 - Minimum of two individual sessions with a Certified Addictions Counselor (CADC or LCADC)
 - Written report submitted upon completion, results reported back promptly to the Vice Principal and/or SAC.

The school shall provide the following:

1. A counseling room shall be made available to the counselor which is appropriate for the purpose of confidential counseling if applicable.
2. A referral system shall be established and implemented by the administration for the purpose of utilizing the counselor to best meet the needs of the problem addressed.
