January 2022

Dear Parent or Guardian:

I hope you and your family had a nice winter break. The transition process for our students will be a little different this year. We welcomed many of your students into the school this week for orientation, but we are not able to host our 8th Grade Parent Night. In an effort to provide students and parents with important information about North Hunterdon High School, we compiled some informative videos that are linked below. Please review the following videos with your student:

- [NHHS Administrative Information](#)
- [NHHS Counseling Staff](#)
- [NHHS Building Tour](#)
- [Scheduling Information](#)
- [Peer Leaders Guide to First Year](#)
- [North Hunterdon Education Foundation](#)
- [Parent Organizations](#)

We encourage you to use the [Course Selection Guide 2022-2023](#) as students make important decisions about their schedule requests for next year. Many other important resources are available on the [NHV Counseling Webpage](#).

North Hunterdon counselors will be available for optional virtual appointments or in-person appointments (at this time) with students and their parents from February 1-11. If you would like to meet with a North Hunterdon counselor, please contact the Counseling Office at 713-4130. There will be a limited number of slots, so please schedule early if you would like to take advantage of this opportunity to meet to discuss your child's course requests for next year.

Please feel free to contact any of us in the counseling office if you have any questions related to registration or scheduling for next year. We are very excited to welcome the Class of 2026 to North Hunterdon High School.

Sincerely,
