### FORMAL YEARBOOK OUTFITS

A dark, formal top is required for the senior section of the yearbook, as dark colors photograph best on your senior section background. Families reserve the discretion to choose which kind of top to wear.

**FORMAL TOP OF CHOICE:** Please refrain from wearing strapless tops, t-shirts, hats, or clothing that is revealing in any way. If you can not or do not wish to provide your own, a limited selection of formal attire can be provided on campus and at the studio.

**SHIRT, TIE & DARK SOLID COLORED SUIT JACKET:** A limited selection of dark, formal attire can be provided on campus and at the studio. We recommend bringing your own.
