

NHHS Parent, Teacher, Student Association (PTSA) is a non-profit diverse group that works to benefit ALL students in every grade level. We encourage and offer volunteer and leadership opportunities to parents and students, sponsor many school wide activities for staff and students alike and raise funds to support long-standing traditions and scholarships.

PARENTS

We invite you be a part of the PTSA community to help build a stronger PTSA and support your student. Please consider donating your time to make a positive impact on our students and staff. There are volunteer opportunities at all levels: chaperoning, planning, preparing, food donations etc. Please join us any time throughout the year and connect with other parents and educators.

TEACHERS

We welcome your input and ideas and hope you will join us at a monthly meeting. We value our educators and staff at North and look forward to working with you throughout the school year to make it a success!

STUDENTS

All students are encouraged to attend and/or volunteer at PTSA events. We also look forward to working with our students to provide fun activities and make great high school memories!

Leadership and volunteer service opportunities are available all year long. Please note a minimum of 12 volunteer hours (over 4 years) at PTSA activities and/or events at North are required to be eligible for PTSA scholarships
