# September 2020 Meeting

---

**September 16, 2020 / 7:00 PM**

During these ever changing and challenging times, North's PTSA mission remains intact: to foster a unified parent, teacher, and student community. While we are optimistically planning for the time we can resume normal activities, we invite you to join the PTSA and help us achieve creative new ways to enrich our student experience, show our appreciation for our teachers and staff, and reconnect with the multitude of local businesses that have been so generously supportive.
