Jan 2021 Meeting

Jan 13, 2021 / 7:00 PM-Virtual

During these ever changing and challenging times, North's PTSA mission remains intact: to foster a unified parent, teacher, and student community. We are optimistically planning for the time we can resume normal activities, we thank you for joining the PTSA! Together, we can work to achieve creative new ways to enrich our student experience, show our appreciation for our teachers and staff, and reconnect with the multitude of local businesses that have been so generously supportive. Welcome to the North community!
