Dear Community Partner,

Annually, the North Hunterdon High School PTSA organizes a Project: Graduation for all NHHS graduates. The event is organized with bus transportation to provide an all-night, drug & alcohol free, celebration filled with music, games, outdoor/indoor rides, arcade, sports, dancing, food, and raffle prizes. This year NHHS PROJECT GRADUATION 2022 will be taking place on June 15-16th at The FunPlex in Mt. Laurel and we expect at least 250 NHHS graduates to attend.

We are reaching out to you to consider sponsoring this event by **May 25, 2022!** All sponsorship dollars will be used to fund this event and costs related to this evening of fun. You will receive a donation thank you from the PTSA with our non-profit tax id. The PTSA will share our gratitude by promoting your support via our social media pages.
