

1:1/BYOD Student Mobile Device Guidelines

You have been assigned a powerful mobile computing device for academic use while you are enrolled in the North Hunterdon-Voorhees Regional High School District. While we encourage you to personalize your device and explore all its possibilities, we want to remind you of certain guidelines that we expect you to follow as you use your device:

DO:	DO NOT:
<ul style="list-style-type: none">● Use your device to take notes in class.● Use your device to keep your school work organized.● Use the calendaring feature of your device to schedule appointments and establish reminders.● Use your device to organize your ideas, thoughts, and goals.● Use your device to create documents, presentations, and artwork related to school.● Use your device to collaborate with your peers on school work.● Use your device to communicate with your teachers about school-related work.● Use your device to perform research as instructed by your teachers.● Learn all the tips and tricks that you can about your device to help you be more productive.● Keep your device clean. A quick wipe of the screen and keyboard improve usability of the device.● Use a protective case all the time.● Tuck your device securely in you backpack. Avoid sharp objects in your backpack around your device, and avoid throwing your backpack or leaving it in places where it can be accidentally kicked.● Personalize the settings of your device to your liking. It's YOUR device.	<ul style="list-style-type: none">● Do NOT use your device to play games while in school.● Do NOT use your device for cheating on tests or homework.● Do NOT use your device for recording without permission from a teacher.● Do NOT use your device to harass, bully, or intimidate anybody.● Do NOT use your device to avoid face-to-face communication.● Do NOT use your device to access inappropriate material for your age.● Do NOT use your device at home without permission from your parents.● Do NOT connect your device to any network without permission from your parents.● Do NOT use your device to contact people without any relation to your school work..● Do NOT use the device to attack or hack the school's network or any other network you connect to.● Do NOT use your device to do anything illegal or that violates the district's Acceptable Use Policy.● Do NOT tether your smartphone with your device while on school grounds.● Do NOT throw, bang, or mistreat your device. It's YOUR device. Keep it working.

We hope you enjoy using your device and that it makes you more productive in school!
