

Welcome to mock trial

Mock trial is an exciting club in which we put on cases in front of real lawyers and judges. Each September, the State of New Jersey puts out the current case. We analyze witness statements, create crosses and directs for each witness as well as openings and closings. Each side consists of 2 lawyers and 3 witnesses. On a Saturday sometime at the end of January or beginning of February, we compete against other county schools to win the county championship. The winning team goes to New Brunswick to try their case against other teams.

Advisor: Ms. Kathy Manz

Contact information: 908-638-2199 (ext. 2021) or kmanz@nhvweb.net

When we meet: to be determined, but we typically meet on day after school from 3-5 and one day from 5-7

Meetings take place in room 330

Our goal for this club is to give students a working knowledge of the law, public speaking skills and debate skills.

Voorhees has won the county championship the last 6 years and we are hoping to continue that streak!
