

## **Voorhees Art Club**

Advisors: Laura Gorman and Lauren Mallia

The Art Club welcomes students of all skill levels who express an interest in art. Students can practice, learn new skills, and meet others outside of their normal classes. Projects will be done that might involve the Unified program, community artwork, etc. to take art to the next level and benefit other people through it.

Meetings of the Art Club will be at twice a month plus additional meetings as needed for projects.
