

STEM Camp

June 22—25, 2015

7:45am to 11:45am

For Students in Grades 5, 6, 7

At North Hunterdon High School

1445 State Route 31

Annandale, NJ 08801

By now you may have heard the acronym STEM, but what is it? STEM stands for Science, Technology, Engineering and Mathematics, and schools across the country are joining the initiative to offer more STEM courses to students.

For the first time, the North Hunterdon-Voorhees Regional High School District is offering students in grades 5, 6 and 7 a four-day workshop concentrated on STEM topics. North Hunterdon-Voorhees teachers will provide students an introduction, as well as, hands-on experience to coding, robotics and rocketry.

Cost—\$315 for four-day workshop

The STEM Camp will be held at North Hunterdon High School (drop off students at circle from Regional Road entrance).

If your student would like to attend, please fill out the registration form and return with payment by May 1, 2015.

STEM
Science, Technology, Engineering,
Mathematics

Schedule:

Day 1—Coding, Computer Science and Engineering

Day 2—Coding, Computer Science and Engineering

Day 3—Robotics and Engineering

Day 4—Rocketry and Engineering
