Dear Ms. Press,

Your Software Support Contract is at the end of its current term. You can renew this agreement for the same term and service specified in the enclosed Software Support Schedule, if you choose.

Review the schedule to be sure our records agree. If our records are consistent, please forward your Purchase Order to CSI with a signed copy of the Software Support Schedule Agreement no later than July 1, 2017. Please retain a second copy for your records.

If you do not agree with the enclosed Software Support Schedule or need to make changes on the service detailed, please call us. We will revise the schedule accordingly and return it to you immediately.

Please note the 2% discount offer: We offer school districts that pay their annual software support in full by July 31, 2017, a 2% discount off their total annual support fee. This is a significant savings for your district.

Thank you for your continued business. We look forward to working with you again this year.

Sincerely,
