Re: Lions Leadership Academy

July 13, 2017

Dear John,

It is a pleasure for me to be rolling out the Lions Athletic Leadership Academy at North Hunterdon High School again this upcoming school year. I am thrilled that you and your staff value mental health enough to take this step to provide this valuable education to your students. This letter serves to document our agreement.

The Lions Leadership Academy is a Leadership and Mental Health Program for the student athletes of North Hunterdon High School. Three times this academic year, the student athletes will receive a 40 minute educational program on a rotating set of topics around the core concept of leadership development. These 40 minute programs (offered during 5 class periods during that day) will occur in the fall, winter, and spring. A program will also be conducted for coaches during each day. The central purpose of this Leadership Academy is to develop the psychological skills of the student athletes so that they can better lead themselves and others in their sports, classrooms, and beyond. Topic and dates for this upcoming 2017 and 2018 year are: Communication on September 1, 2017, Positive Thinking on December 8<sup>th</sup>, 2017 and Healthier Relationships on March 19, 2018. A keynote speech will also be delivered at the Senior Awards Banquet on May 30, 2018.

The agreed upon amount for each consulting day is \$2,500.00. Thus, the total is \$7,500.00. The keynote speech for the Senior Awards Banquet is pro bono. Our tax ID # is 45-3753407. Please make checks payable to Mind of the Athlete, LLC and can be sent to the address below.

If you have any questions or concerns regarding this letter, please feel free to contact me directly. Wishing you the best in sports and beyond,

Kind regards,

Jarrod Spencer, Psy.D.
