Dear Mr. Goger,

The Voorhees Community Athletic Foundation, Inc. (VCAF), a 501 (c)(3) Corporation would like to inform you that our donation of materials and services to support upgrading the Richard Degnan Memorial Field at Voorhees High School is now completed.

After extensive work from Paul Spatz, Owner and President of V.A. Spatz & Sons Construction, Inc. and the installation of the sod field by Tuckahoe Turf Farms, Inc. the VCAF is happy to present to you the closure of our donation. All costs associated with the field prep and installation has been paid in full and the VCAF is proud to donate this new field to the District. One last gift that we would like to provide is a donation of \$5,000 to assist in buying new equipment better suited to maintain this new sod field as well as the rest of the playing surfaces at Voorhees High School.

We would be remiss not to mention the special efforts that went into making this happen. From the VCAF, many thanks go to Mr. Todd Francis who provided project leadership and management for the VCAF. From Voorhees, we would like to thank Mr. Brian Baumann, VHS Athletic Director, for his leadership and commitment to making this happen. Additionally, the maintenance team that was integral in all phases of the prep, installation and now the care for the new field. Without the dedication of these people, this endeavor would not have been so successful.

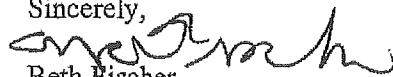

We would also like to thank the following fire departments for their time and efforts to assist in the watering and care of the new field.

Annandale Hose Company
Califon Fire Company
Clinton Fire Department
Fairmount Fire Department
Glen Gardner Fire Department
Hampton Fire Department

High Bridge Fire Department
Lebanon Boro Fire Department
Lebanon Township Fire Department
Oldwick Fire Department
Pottersville Fire Department
Quakertown Fire Department

It is wonderful to see so many of our community members come out to help in this effort. We think all can agree that Voorhees now has a substantially improved stadium surface that Voorhees, its students and the community can take pride in.

Sincerely,
