A meeting was held on May 8, 2018 with the Board of Education, the Superintendent, School Business Administrator / Board Secretary, along with the Board Attorney to develop board goals for the 2018-2019 school year.

We began the meeting with a brief review of the preceding year's goals. After some discussion, the Board and Superintendent reached consensus on the following as board goals for 2018-2019 school year.

BOARD GOALS 2018-2019

- 1. To create engaging learning experiences emphasizing cross-curricular collaboration, creativity and problem solving**
- 2. To assess and evaluate the efficacy of the instructional coaches working with the sending districts and the special education program co-located in the sending district(s).**
- 3. To continue to explore solutions to declining enrollment.**
- 4. To prioritize level 1 and level 2 facility needs (projects) and identify funding strategies to support the identified needs.**

Please let me know if I can be of additional service. It is always a pleasure to work with all of you. I look forward to continuing to act as a resource for your board. I hope to see you at Workshop in October! Have a wonderful summer!
