Dear Board of Education:

Thank you for your support in making the New Jersey Cooperative Bid Maintenance Program the largest and most successful shared services program of its kind. This year participating districts received the lowest overall pricing for consumable school supplies in the state.

The licensing and maintenance fee for the 2018-2019 school year will be: **\$ 9,350.00**

The licensing fee refers to the use of our copyrighted bid specifications and interactive software. The maintenance fee refers to the supplying of our cooperative bid prices, cross referenced awarded vendor catalogs, updated users and account codes. The above will be utilized in ordering 2019-2020 district school supplies.

**Payment Schedule**
