Re: Bids Result Analysis for:  
Renovations at North Hunterdon High School.  
DMR Project No. 4116

Dear Ms. Press:

Bids for the project were received on August 9, 2018. Ten contractors picked up bid packages. Eight bid proposals were received. As part of the process, we have reviewed the three lowest bids for compliance with the requirements outlined in the bid documents. The attached *BID TABULATION SHEET* lists the contractors' bids and documentation checklist.

The Lowest bid was presented by **CMG of Easton, Inc.** of Easton, PA, with a Base Bid of \$552,300.00 (FIVE HUNDRED FIFTY-TWO THOUSAND, THREE HUNDRED DOLLARS). The bid was evaluated and conformed to all essential requirements of the bid documents.

The Second lowest bid was presented by **Salazar Associates** of Union, NJ, with a Base Bid of \$562,000.00 (FIVE HUNDRED SIXTY-TWO THOUSAND DOLLARS). The bid was evaluated and conformed to all essential requirements of the bid documents.

The Third lowest bid was presented by **Murray Paving & Conc.** of Hackensack, NJ, with a Base Bid of \$571,695.00 (FIVE HUNDRED SEVENTY-ONE THOUSAND, SIX HUNDRED NINETY-FIVE DOLLARS). The bid was reviewed and it was found to be missing documentation that was required to be submitted with the bid package. These include, the DBC Notice of Classification and DBC Total Amount of Uncompleted Projects.

The above information and analysis is presented to you and the North Hunterdon-Voorhees Regional High School District for your review. Additional requirements that the District may have can be incorporated in the final analysis prior to contract award. Based on this information the contract may be awarded to the Lowest bidder after further review from the District's Legal Counsel.

If we can be of further assistance please do not hesitate to contact our office.

Sincerely,

Fernando Robledo, AIA  
Project Manager
