In addition to the 3, 6, or 9 month options, students who are extending their enrollment to finish an individually paced course may apply for a 1 month extension for \$295 (tuition), plus the \$15 Application Fee discussed below. The application fee may be waived if the student's enrollment period has not yet expired at the time the student applies for an extension. The 1 month tuition option is only available to students who are extending their enrollment in an unfinished individually paced course. **The 1-month extension is not available to students who are enrolling into *new* individually paced courses.**
